Meeting notes:

Notes from September 4, 2018 Meeting:

Calendar: We will start to develop the 2019-2020 and 2020-2021 Calendars.

IEP/504 Meetings: Teachers attending these meetings beyond an hour past the contracted day may submit a time slip. It is not recommended that these meetings go longer than 1 hour. Teachers must legally be in attendance for the entirety of these meetings if they are on the pre-approved list of those that will be in attendance. If preapproved and signed off on by the parent at least one day prior to the meeting, specialists may be allowed to attend only part of these meetings. They are still encouraged to attend the entire meeting as there may be discussion or decisions that impact them.

Dr. Maxwell noted that the district is looking into hiring a stipend position to coordinate elementary tutoring.

Notes from August 1, 2018 Meeting:

10:30am - 12:00pm

Attendance: Bob Maxwell, Roberta Kramer, Shannon Focht, Rena Mincks, and Tiffany Moler

Clarification: Prior to the June 13 resolution, the Science Committee determined that there were no published NGSS Materials that truly addressed the standards. The committee chose to detain the adoption/purchasing of any materials until such could be found. School representatives on this committee are responsible to communicate committee decisions to their building. In addition, this was well communicated in Teaching and Learning newsletters.

Unrelated to resolution: Writing standards will need to be reviewed. Anchor papers will be found to help teachers determine markings for report cards. This will be on the PD Menu. Joni with the principals will work together to ensure consistency across buildings.

Unrelated to resolution: Be sure to look at the "Red Book" for further suggestions/interventions.

Unrelated to resolution: PHS social studies text are on the list to be updated dependent on funding availability.

Clarification: Evan Hecker (and Desiree Gould) have been and will be providing much needed administrative support in our elementary schools. They will be assisting building principals with various duties including evaluations. Who evaluates you does not determine future location or position.

Note: Details of the resolution with no comment were not discussed at the August 1, 2018 meeting.
