FRIDAY 9/23 @ 3:30PM

Open House at LMS

Please join us on Thursday, September 22nd for our annual LMS Open House. Families will have a chance to explore their students' schedules and briefly meet each of their teachers.

Families are asked to bring their student's schedule with them to this event, as you will be navigating the building to each of their teacher's classrooms (see attached).

Students are welcome to join their families but are not required to attend this event.

Where: 315 SE Crestview, at the LMS Gym

When: Thursday, September 22nd @ 6:55pm

Who: Families (and their students) welcome!

*Due to time constraints, teachers will not have time to conference with you individually about your student. Conferences will be held October 26-28, 2022. If you would like to speak to a teacher before that time, please e-mail them directly. Thanks!
