

THIS WEEK AT LMS

Lincoln Middle School, Pullman, Washington

SPORTS PHOTOS October 5th

There are plenty of sports events to attend this week, and for our athletes, that includes getting sports photos taken! Students should head out to the track immediately after school on Wednesday. You can order online at <https://leosphotography.com/> using code SPO4014, or pick up a paper packet from the office.

This week Friday there will be NO SCHOOL for students. October 7th is a district wide professional development day.

Students will be bringing home their popcorn fundraiser forms this afternoon. We are asking that each student try to sell 5 bags of popcorn so we can make our \$25,000 goal! The fundraiser ends **October 12th**. Check your email for more information.

Lastly... order that Spartan Gear! [HERE](#)
