Happy Fall to all our LMS sports families!

It has been a joy to see the bleachers, stands, and sidelines filled with Spartans cheering on our teams. Come and join us for this next week of games, as many of our sports teams are competing in their final match-ups for the season.

Football is finishing the year with a game in Grangeville, ID on October 11th. Cross Country competes in the Bi-State Championships on October 13th, held in Clarkston, WA. You can catch JV Volleyball in Moscow one last time on October 13th, and our last set of Sixth Grade Intramural Volleyball is this coming Friday, October 14th. Varsity Volleyball wraps up their season the week following, going head to head with Lapwai at home on October 18th.
