

THIS WEEK AT LMS

Lincoln Middle School, Pullman, Washington

SPRING REMINDERS

ALL LOST & FOUND ITEMS

will be donated over Spring Break. Come by the office to take a look through the piles of items!

Did you miss out on purchasing Spartan Apparel earlier this year? Great news! LMS is now hosting a Gear Store year-round through Game One. [Check it out HERE!](#)

Track & Field picture day is Tuesday, March 28, 2023. Students should head to the track after school. Order using code SP04014.

7th & 8th grade concert choirs are headed to show off their skills at the Large Group Choir Festival Tuesday, March 21st in Garfield, WA.

Boosters supporting students: Booster membership only \$25 in November! Click [HERE](#) to join.

A big CONGRATS to our Science Bowl competitors! See the next page for a spotlight on their big day of competition.

APRIL 3-7

Track Meet @ Lewiston

TUESDAY, APRIL 11

SPOTLIGHT

SCIENCE BOWL 2023

Two Lincoln Middle School Science Bowl Teams traveled to Boise, ID on February 10 to compete at the Eastern Idaho Regional Science Bowl Competition. Before competition started, they had the opportunity to listen to astronaut Steve Swanson speak about his experience aboard the International Space Station. After his talk, students competed in back to back rapid fire question and answer rounds.

Our LMS students earning the 3rd place trophy included Jane Park, Kevin Chi, Kevin Gu, Haowen Tan, Leon Liu and Nathan Kostenko. Their only losses were to charter schools which has motivated them to study hard for next year. The other team competing included Eric Liu, Jason Zhang, Catalina Donolo and Deborah Song. Special thanks to our eighth graders Jane Park and Eric Liu for their leadership!
