

THIS WEEK AT LMS

Lincoln Middle School, Pullman, Washington

Semester 2 Begins 1/30

Happy Friday, Spartan families!

We are excited to wrap up the first half of the 22-23 school year today, and jump into a new semester on Monday. Students should log into Skyward to view their **new schedules** for second semester.

- Need a class change? Mrs. Cartwright, one of our school counselors, is the best point of contact for questions and modifications. She can be reached at pcartwright@psd267.org.
- Report cards will be mailed out by Monday, January 6th. Families will receive them shortly following. Keep an eye out!
- We have home games and meets fast approaching! Sign up to volunteer with the LMS boosters here: [CLICK FOR SIGN UP](#)

As always, if your student will be absent or tardy, please be sure to communicate that to the office. If you need to pick a student up during school hours, a call or email ahead of time is a helpful way to expedite that process.

NEWS & REMINDERS

Begin Semester 2

MONDAY, JAN 30

Varsity Bball @ HOME

Need to login to your Skyward account to look at the new schedule? Use the first 5 characters of your last name, first 3 characters of your first name, followed by 3 zeros (if you have a very common name combination, you might use 001 or 002 instead - call us to verify).

We can also help you with password resets and account unlocks.
