## PULLMAN SCHOOLS FOOD PANTRY

Pullman Schools Pantry Program is a free, optional, supplemental weekend food program for students in need of food assistance. It is not income based. Registered students will receive a bag of food at the end of each week when school is in session. Registrations can be completed online, at <https://pullmanschoolspantryprogram.org/online-registration-form/>, or in paper format at the LMS office.

## FREE & REDUCED LUNCH APPLICATIONS

it's more than a meal application - the Free and Reduced Meals application can also provide assistance with health and wellness services, before and after school academic and enrichment programs, guidance and college counselors, fee waivers, and more. The application needs to be filled out yearly, so get yours done if you haven't yet for the 2022-2023 school year!

Applications are available at our [website page](#), or paper copies are available at any Pullman School District location. We also provide applications in Arabic, Chinese, Korean, and Spanish. Unsure if you qualify? Take a look at the table on the [2022-2023 Letter to Households](#) regarding meal applications.

With the passage of House Bill 1342 (2021), the State legislature eliminated the lunch co-pay for grades Pre-K and 4-12. *This means all students eligible for reduced-price meals in public schools operating USDA school meal programs can receive breakfast and lunch at no cost.* Students receiving benefits from state programs such as Basic Food or Medicaid automatically qualify for free/reduced priced meals. If you received an email stating your child or children automatically qualify, you do not need to complete a meal application.

The library is open from 8am-3:30pm, Monday through Friday. Students may use the library to check out books, read, work on class assignments, receive help with assignments, play games, and print school related items.

Our library catalog is available online. To view the catalog, visit the LMS Library Catalog (OPAC). Checked out books may be reserved by contacting Ms. Bordeaux either in person or via email.

## Borrowing Materials

- Students may check out five items at a time.
- Checkout periods are for two weeks.
- Books may be renewed an unlimited number of times (as long as another student has not reserved the book).
- Students may reserve books that are currently out by notifying Ms. Bordeaux.

Fines will be entered into InTouch for books significantly past due.

To clear fines:

# MENTAL HEALTH MAY

Students in the Our Minds Matter clubs throughout the district are working together during the month of May to put on events and activities related to Mental Health. Check out the calendar of events below, and the flyer to the bottom left.

The LMS Spartan Minds Matter club have been exploring the 'iceberg' metaphor as it applies to mental health - we don't know what is underneath the surface. We look forward to seeing their art and information throughout our building.

We also love the themes presented by Mental Health America this year: *Take some time to look around, look within.* "Our surroundings play a significant role in shaping our thoughts, emotions, behaviors, and overall health, and learning about the impact of our surroundings on our mental health is a valuable way to take control of our own well-being."
