CLUB DESCRIPTIONS

Art Club	Art Club is a place that students can use a variety of materials and practice their skills and techniques.
Builder's Club	Builder's Club is the largest service organization for middle schoolers in the world! Help your community and grow as a leader by joining the LMS chapter of Builder's Club!
Culinary Club	Join Chef Lindsey for: Taste Testing! Recipe Development! Cookbooks! Restaurant Tours! Demonstrations! Hands on Cooking! Games! Contests! Edible, Incredible Fun!
Chess Club	This is a club where students can come and play chess together.
Drama Club	Students practice acting skills through different theatre games/activities, including performance. We do play production, small group & monologue projects, improvisation, and reader's theater.
Environmental Awareness Club (EAC)	The EAC is a student run club that focuses on improving environmental issues in our community. We follow student interest to learn more and work on solutions at Lincoln Middle School, in our Pullman home, the greater region, and the world beyond!
Gender & Sexuality Alliance (GSA)	Gender and Sexuality Alliance (GSA) is a place where all students can belong, have fun, make friends, and be themselves. This space is for students who identify as LGBTQIA+, their allies, and anyone who wants to learn more or join a supportive community.
Jazz Band (7/8th Grade)	Students attain high levels of self-expression, creativity, discipline, cooperation and achievement through the study and performance of music. LMS Jazz Bands promote the development of skills necessary for success in all future music and non-music endeavors.
Jazz Bank (6th Grade)	Starts 2nd semester. Students attain high levels of self-expression, creativity, discipline, cooperation and achievement through the study and performance of music. LMS Jazz Bands promote the development of skills necessary for success in all future music and non-music endeavors.
Jazz Choir	Jazz choir is a unique opportunity at Lincoln Middle School for students in all grades to experience singing in a jazz style. Jazz choir also gets to participate in several fun events including the Christmas Tree Lighting ceremony and the Lionel Hampton Jazz Festival.
Magic: The Gathering	This club is a place for students to come play the card game Magic: the Gathering. We have extra decks and can teach you how to play! No experience needed. :)
Math Team	Solve challenging math problems and participate in math competitions throughout the year. All members participate in most competitions, regardless of skill level.
Photography Club	Learn the basics of digital photography using a DSLR camera! We will take tons of photos, make new friends and have tons of fun!
Pokemon Club	A space for students to meet and socialize w/other students of similar interests. Build decks, trade cards, watch episodes, and battle other peers. .
Rube Goldberg	Join the team to make a Rube Goldberg Machine! Solve a simple task in the most overcomplicated, inefficient, and hilarious way possible, competing against other teams from around the world!
Science Bowl	Depth of science knowledge, quick responses and teamwork go into each Science Bowl team. Join us as we aim to four-peat as Regional Champs in this quiz-bowl style of competition!
Science Olympiad	Science Olympiad is a Nation-wide competition that allows students to put their science knowledge to work in a variety of ways...from written tests to engineering challenges.
Spartan Minds	A student-focused club which fosters open discussion of mental health matters in attempts to reduce mental health stigma, increase help-seeking behaviors, promote social connection, and encourage self-care and healthy habits.
Spartan Sprouts	Learn how to grow and prepare foods from asparagus to zucchini. Your input will guide what we plant in the spring and harvest in the fall.
Students of Color Alliance (SOCA)	Is a space for students to connect with others who go through similar experiences; being a person of color & students who wish to be allies & want to be informed on how they can uplift their peers. SOCA is an opportunity for students to express ideas, share experiences, & empower each other.
Spirit Club	
Yearbook Club	We will design and create the 2022 LMS Yearbook! Unleash your creative side, gathering content and photos making the 2022 yearbook the best one yet!
